STARS, STRIPES, AND RATS '76

What do you expect from a Bicentennial year? A change, that's what. Usually, the longer something exists, the harder it becomes to change. Huron High is seven years old; maybe it's time for a change. Your yearbook is doing it. It's changing. The big change is in the name. Enthymion was the previous name. It seems appropriate in this Bicentennial year to use the theme of the book for the title as well. Why not? It's current, contemporary, and changing from year to year. It's yours. Hope you enjoy "Stars, Stripes and Rats '76."

About the Rat at the top of the page. We are River Rats, there is no mistake about it. On the top of each page you will notice (we hope) a little furry creature ail by himself. Aaron McClellan has depicted our happy fellow in various costumes throughout the "Stars, Stripes and Rats '76" edition. As each page is turned the historic rat progresses a little further carrying a flag with its stripes trailing to the top left corner. Enjoy him. We invite your participation with our fuzzy mascot by using a red and blue pencil and coloring the stripes held by our hero.

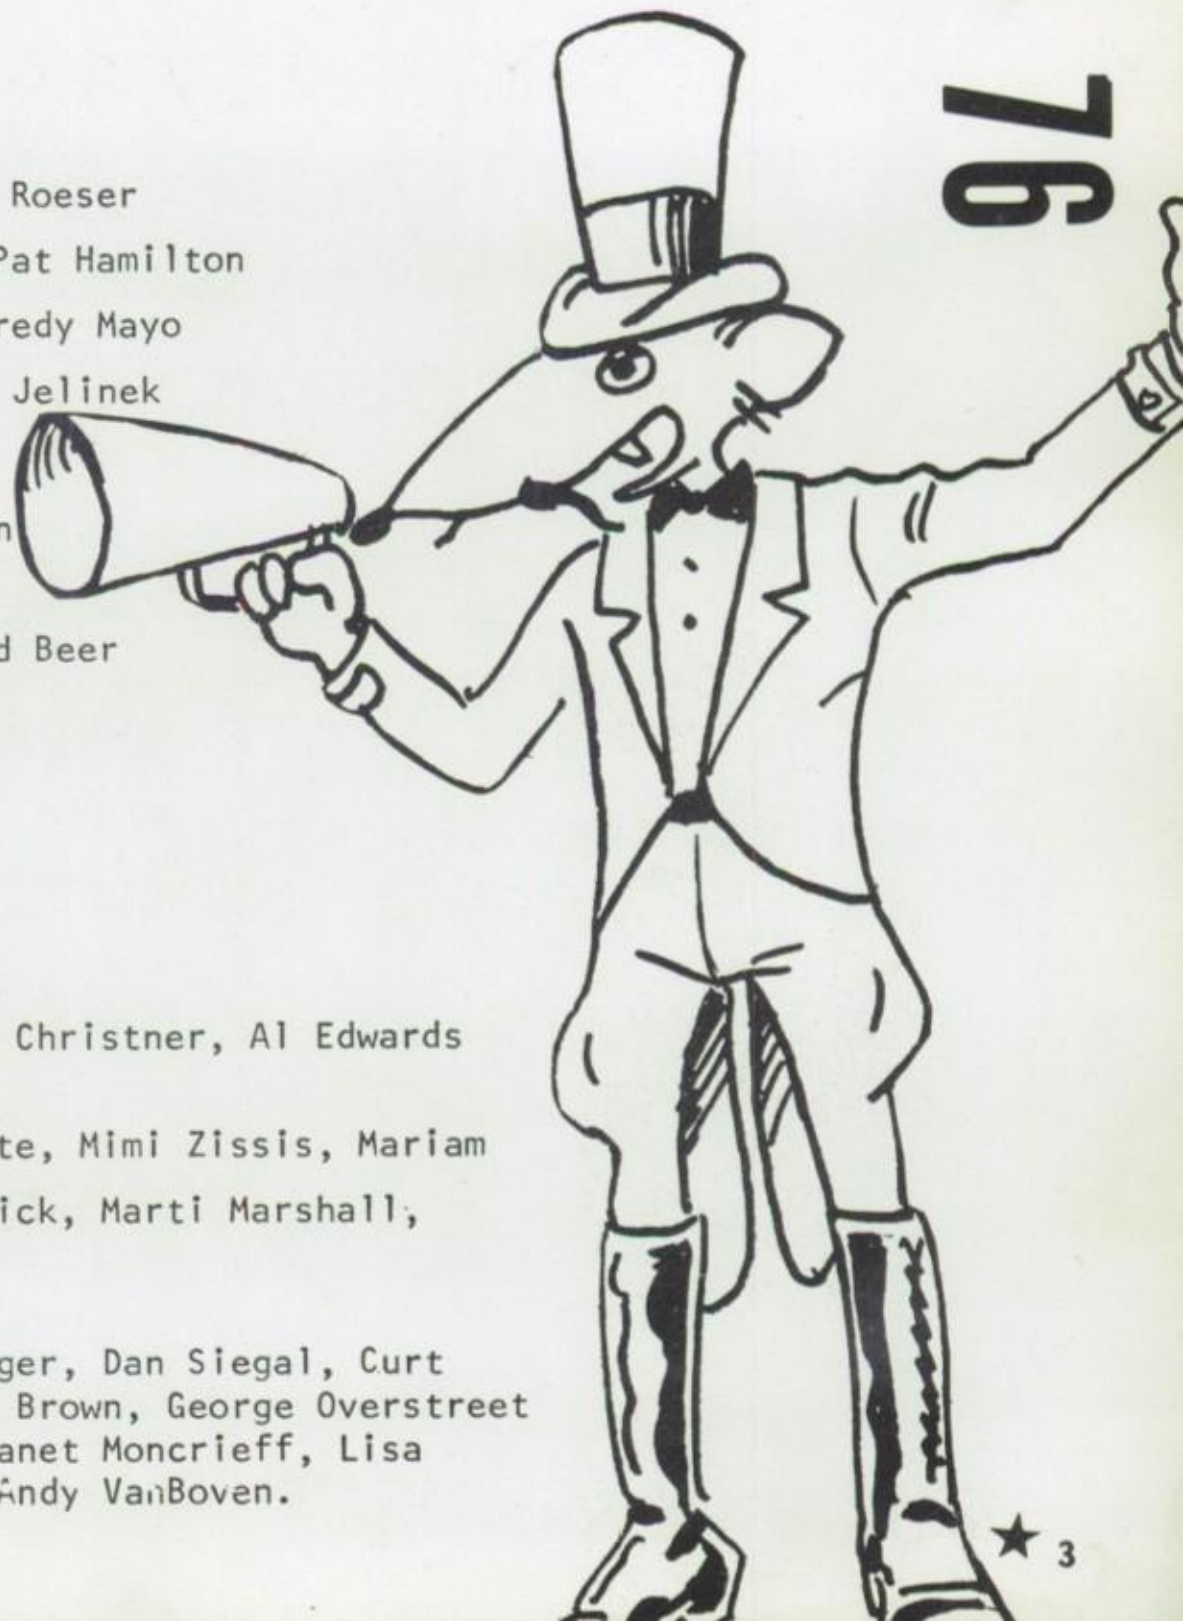

You might take note that some of your classmates are pictured in various sections coloring the stripes of the flag. Feel free to join them. Now on with the fun.

HIGHLIGHTS

Yep, thats us. 76ers' thats our homecoming float, and ya know what...the turkeys voted us second. All that work, all that time, all the fun, the togetherness, the fellowship. Hmm... alot of good times, guess it doesn't matter if we were voted second. What we experienced was first.

Oh I hate these awful, awful pompoms.

Hey, look...theres a chicken in there.

This is the float that was (to be second according to the seniors) the float and just think, we have a crack at next year, but thats no guarantee that we will get next years bid. What the heck we'll be in there pitchin.

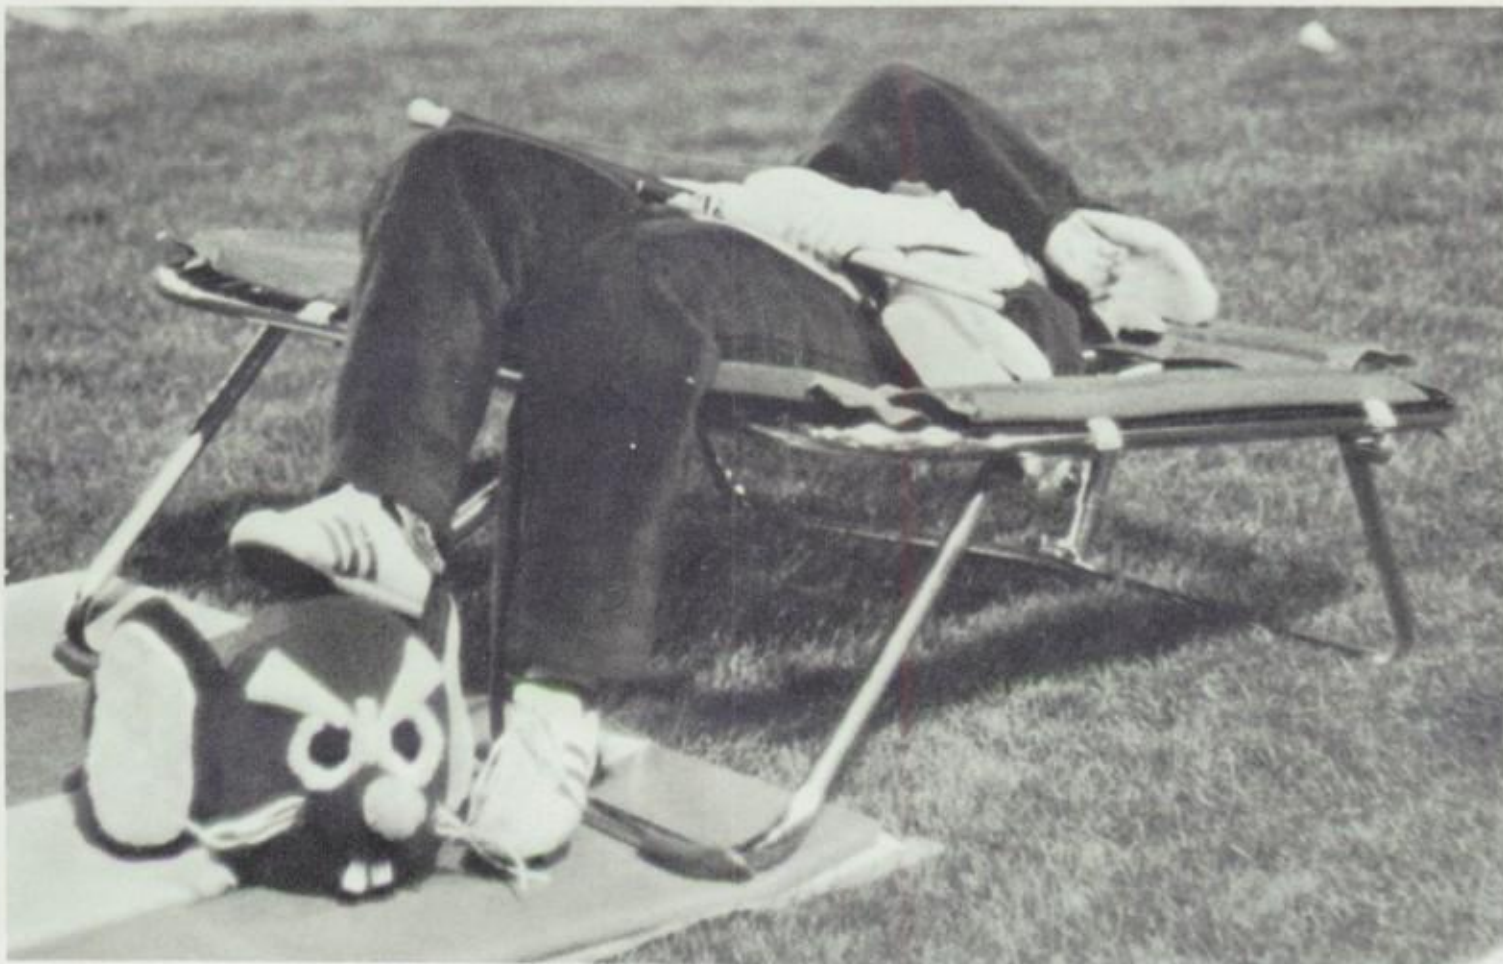

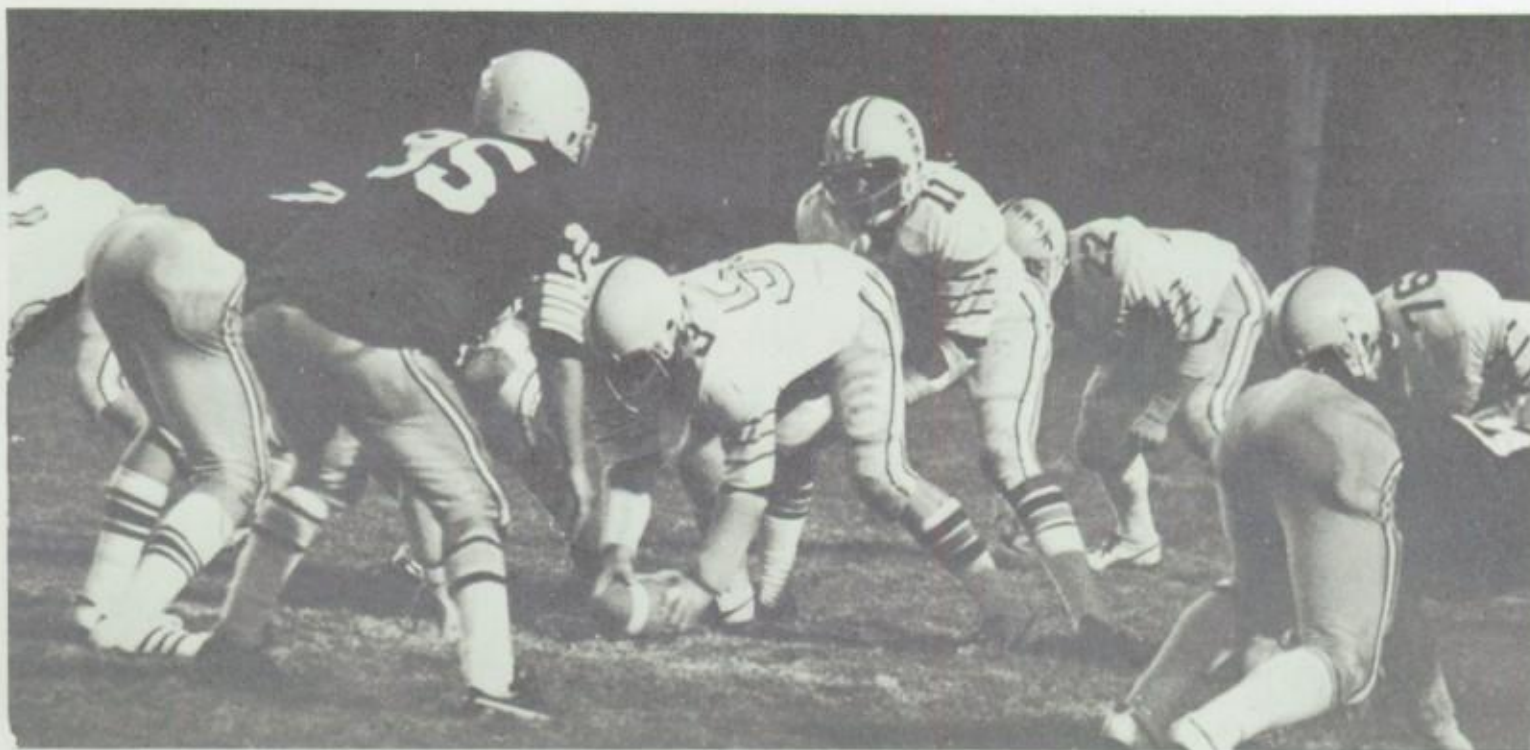

Welcome welcome jump on the float wagon, sure, heck there's room for one more. The more the merrier so come on (Oh! Say I like you...Hi. Hi there Handsome.)

If we're real cool we can cream this other team cause we got the steam. We're the mean machine. Now lets see it's 3rd and 9 what are we gonna do? Pound em that's what. That's what we said we were gonna do, that's why we practiced so hard all summer long. Some how on this field it's different. Did I do enough? I did what everybody else did, wasn't that what it was about? I hope so, I really do. It's 4th and 2. We have to punt.

Wow its homecoming and we're right in the mainstream of the whole affair. Could you ever imagine things could be like this! I've been thinking this has been a good experience. I'm not going to pass this way again. So I might as well accept it as it is and have fun with it. After all that is the spirit of things.

And when you hear that applause and you get that lump in your throat you know just like everybody else knows you've done your best, it's a good thing, you don't forget times like this. 1975 VARSITY

We have proven to ourselves and our fans that we can play with the big powers in the South Central. Now we must prove we can beat them. If there is indeed victory in defeat and we learn from our experiences of '75---then the season was a VICTORIOUS SUCCESS. GO YOU RIVER RATS!!

"There is victory in defeat
and defeat in victory!"
1975 football Slogan, Coach Fagan

This could be the team slogan for the past '75 season, as the high point of our season was not the victories over Willow Run, Romulus or Lansing Harry Hill, but rather the hard fought and outstanding back to back efforts against mighty Ypsilanti and equally tough Pioneer. In our victories, we felt that we could have played much better, and overall effort a little to be desired. In the middle 3 games against Jackson, Adrian and Jackson Parkside, we did not play with full commitment of purpose and lost all 3 games.

In the last two games against Ypsilanti and Pioneer we were outweighed from 40-70 lbs. per man, having nothing at stake but our pride we played courageous and sometimes outstanding football only to lose. There was much victory for the River Rats in both games. We played two big physical football teams nose to nose in straight hard nosed football and held our own. There was much to be learned from the '75 season, mainly that complete commitment and dedication will be necessary to make Huron a "WINNER". Both coaches and players felt that the insights and lessons learned in '75 could well be the turning point in Operation Turnabout.

Jelinek pushes through.

Thomas kicks the River Rats
off to a good start.

Although the final record for the girls varsity field hockey team was 1-7-2, their motto was "We had fun!" The fact that all but 2 of the members had not played on the team before, and a new system had been introduced, had something to do with the teams record. Junior Varsity's record was comparable to that of Varsity's but they played hard and well against their opponents. The team members were:

Rhonda and Cindy hustling on the courts!

It's a bird..It's a plane...

It's a Ball!

The girls tennis team had many new players this year and spent the beginning of the season rebuilding. All the work that was put inot practices show in their IO-4 record. Co-captain Kathy Chase, who hasn't lost a match in 3 years, went to the state meet and advanced to the quarter finals where she lost to the soon to-be state champion. The team as a whole placed second in regionals which were held at that other high school across town. There was a lot of switching in the tennis team line-up and the doubles team of Lori Stubbs and Janet Mirsky gave coaches Darlene Bolin and Will Cummings cases of nervous tension in the many tie-breakers that they eventually won. This years coaching staff was irreplaceable in getting the team to work together. There was, however, a slight mix-up in the coaching corner at the end of the season, but it obviously did not effect the teams record. Next years team will have a tough act to follow.

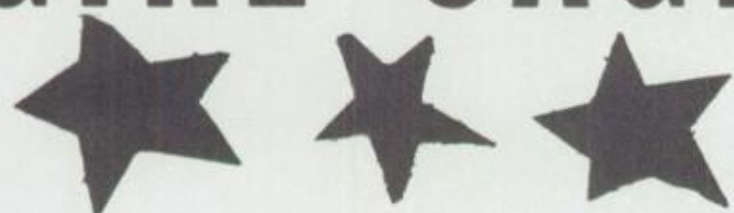

Co-captain "Chicken Legs" Chase smacks that pecker!

The Establishment

The Yearbook is the very best way to record the events of an outstanding class and school year. A book that will serve as a "store house" of memories and bring into focus again the many happy events and good friends of the high school years.

Mr. Meyers

I have watched this year's senior class evaluate school traditions and activities--ferret out those to keep--and create new ones they felt would involve as many Huron students and staff as possible, in a true spirit of '76.

Ms. Mial

Mr. Spriggs

Counselors

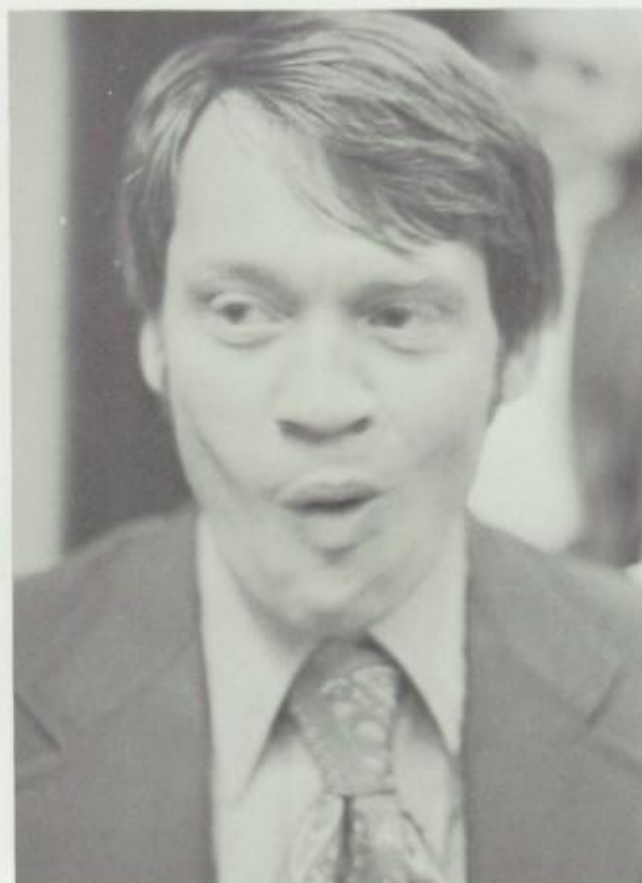

We are, this year, celebrating the 200th birthday of our country. As I walk by the auditorium and look at the display of national documents. I know it is within our daily grasp to make this Freedom Shrine come to life because Huron High is a microcosm of the American civilization. My very best wishes to the class of '76.

Ms. Eisenlohr

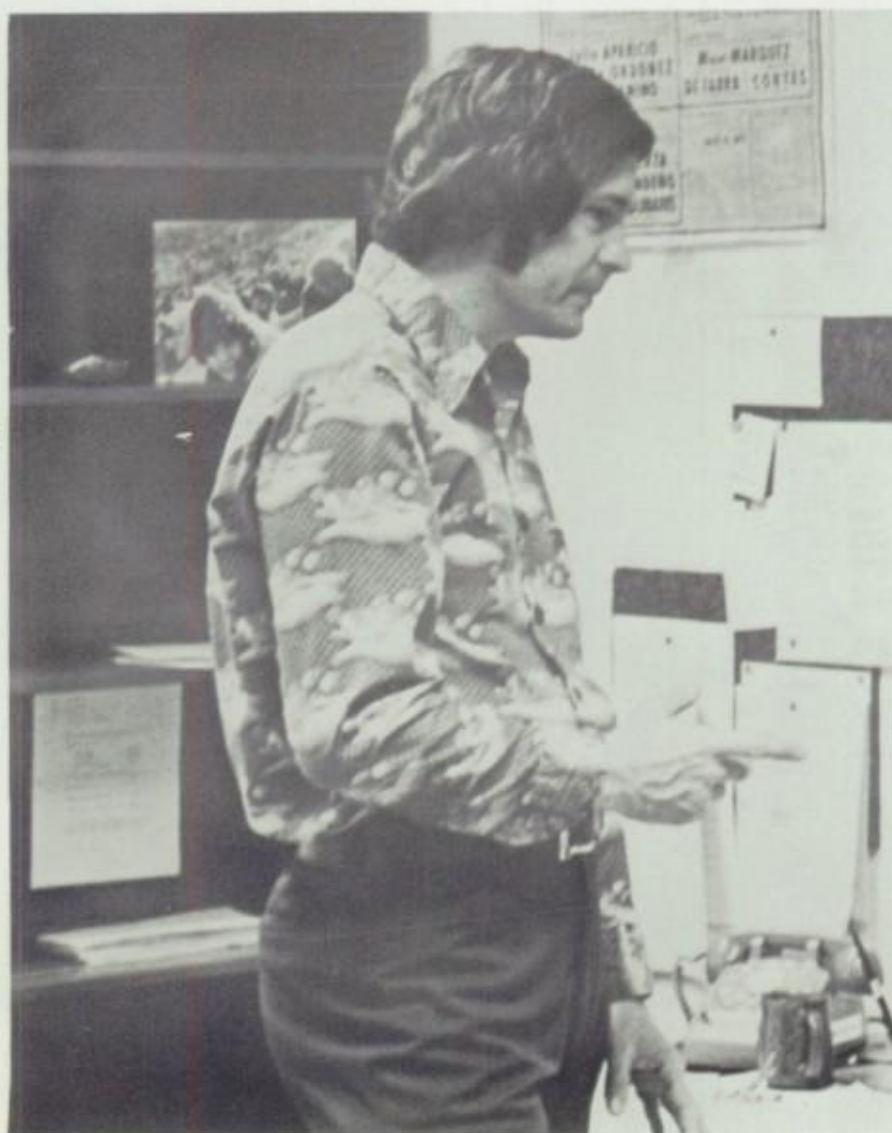

"A positive self concept is the key to success. Believe in yourself!

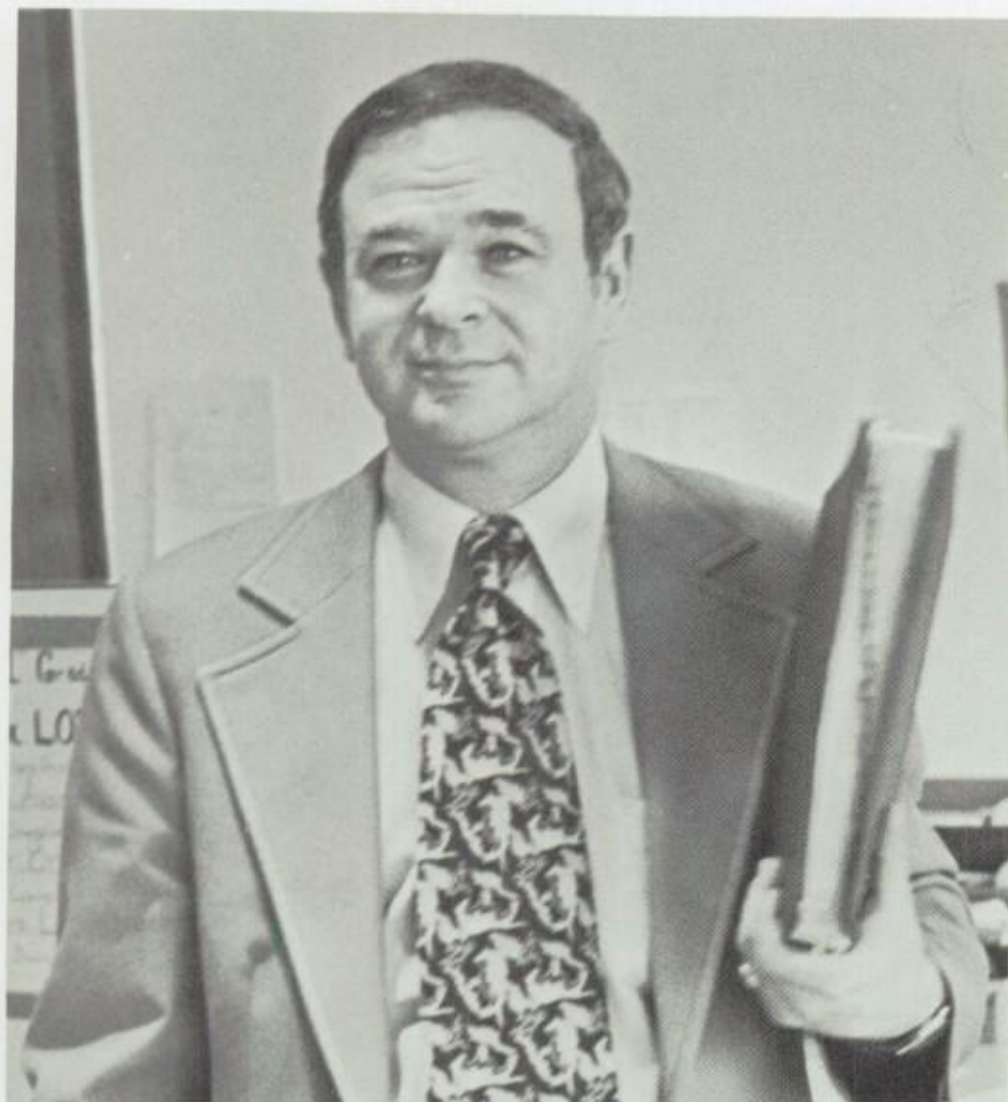

Mr. MacKenzie

Coffee, tea, or schedule change

The class of "76" will graduate during the birthdate of our nation. We have come a long way in 200 years but much still remains to be done. Your challenge to participate in our nation's growth awaits you.

Carry the spirit of "76" forward.

Mr. Zornes

If the student will seek the opportunities out, Huron is the school where almost every educational opportunity is available-curricular as well as extracurricular.

Mr. Kinney

Secretaries

Ms. Boychuck

Best of all good wishes to the class of 1976. It might have seemed like a long hard struggle, all up-hill, but now you have arrived at one peak and it is my hope you will continue to climb to greater heights. Remember, you have only just begun.

200 Years AND STILL GOIN' STRONG

This is it—the year that will never be again—our year.... But also our country's year. "Big Deal" you say? There is too much talk of the Bicentennial; who cares? Well the fact of the matter is that it's 1976 and YOU are a part of this year. Accept it and enjoy it. You have to start with yourself and let the spirit grow.

The origins of the spirit of the country are pictured in this section. Two of our photographers were sent on assignments to New England to capture and bring back to Huron the Spirit of '76."

BICENTENNIAL

The Forefathers of our Country

(not all of them just FOUR of them)

Minute Men

Benjamin Franklin

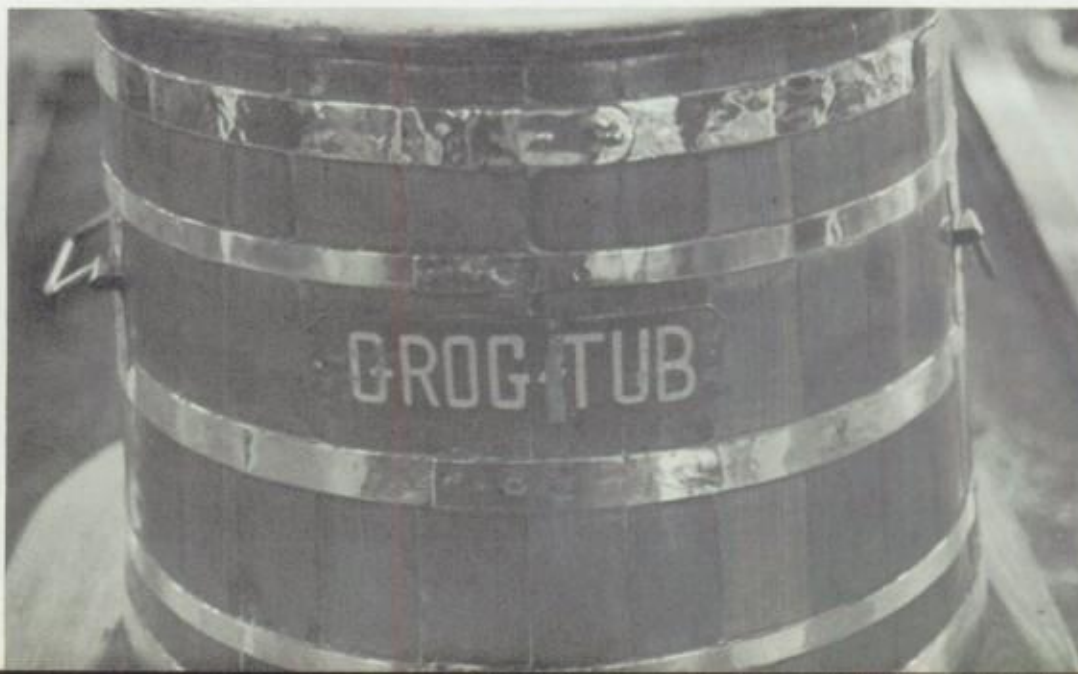

The original Pet Rock!

As the Mayflower brought Pilgrims to America, our buses bring you to Huron.

Huron's Pet Rock

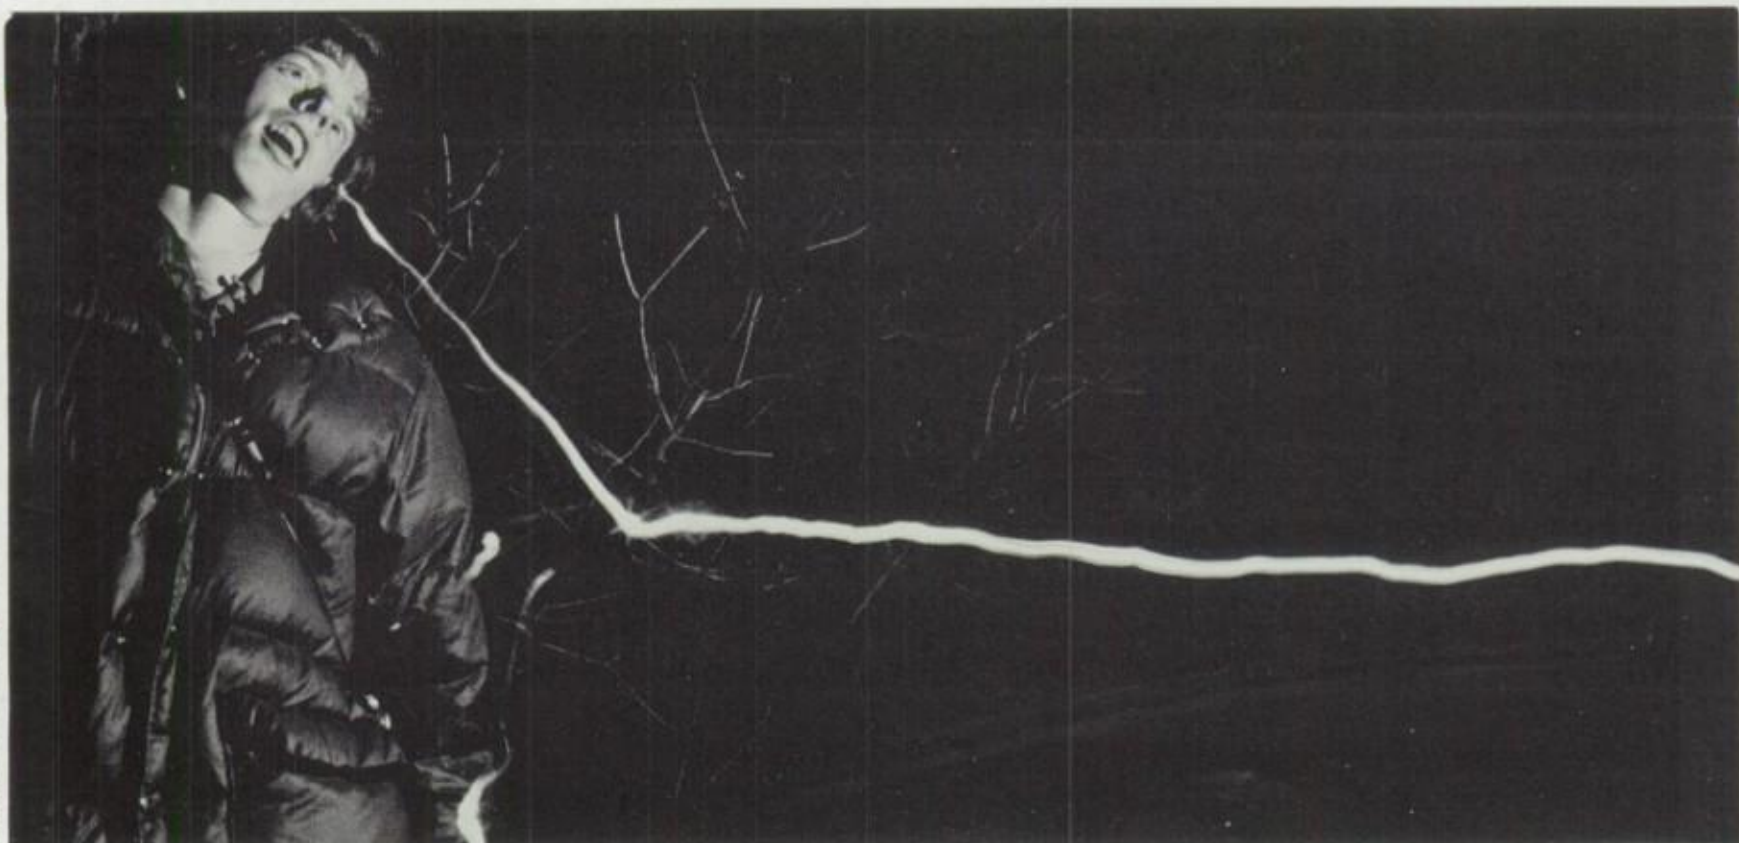

A ship without its Grog Tub is like Frasers without its mugs. Yup, you guessed it. The Grog Tub contains the "SPIRITS" of '76.

BICENTENNIAL QUIZ TIME

Going through our history books we found some interesting terms which could sometimes be misinterpreted (even by us!) Try our quiz and see how much you REALLY know about history.

1. What is the Grand Old Party ? a) A party your parents would go to.
b) The seniors continuous party through second semester c) The Republican party
2. Why did Johnny come marching home ? a) because he didn't have a car b) W.W. 1 was over c) because he missed the bus
3. What do the four stars on your licence plate represent ? a) stars in the sky b) four flags which have flown over our state c) stars
4. Who did it with his little hatchet ? a) homebuilding b) auto shop c) George Washington
5. What is a suffrage ? a) flunking a math test b) feeling going into Mr. Gallup's office c) the right to vote
6. Why did Washington cross the Delaware ? a) to get to the other side b) to outflank the British troops c) he liked to row boats
7. Who said 'a little rebellion now and then is a good thing
a) Thomas Jefferson b) Mr. Gallup c) the student body

When an American says that he loves his country, he means not only that he loves the New England hills, the prairies glistening in the sun, the wide and rising plains, the great mountains, and the sea. He means, that he loves an inner air, an inner light in which freedom lives, and in which a man can draw the breath of self-respect.

YA SEE

RAT, and SENIOR-RAT-TA'S ALMA MATER

I Remember

I remember the grin

For it came so often

I remember the strength

For she shared it with all

I remember the music

For it made her eyes dance

I remember the sports

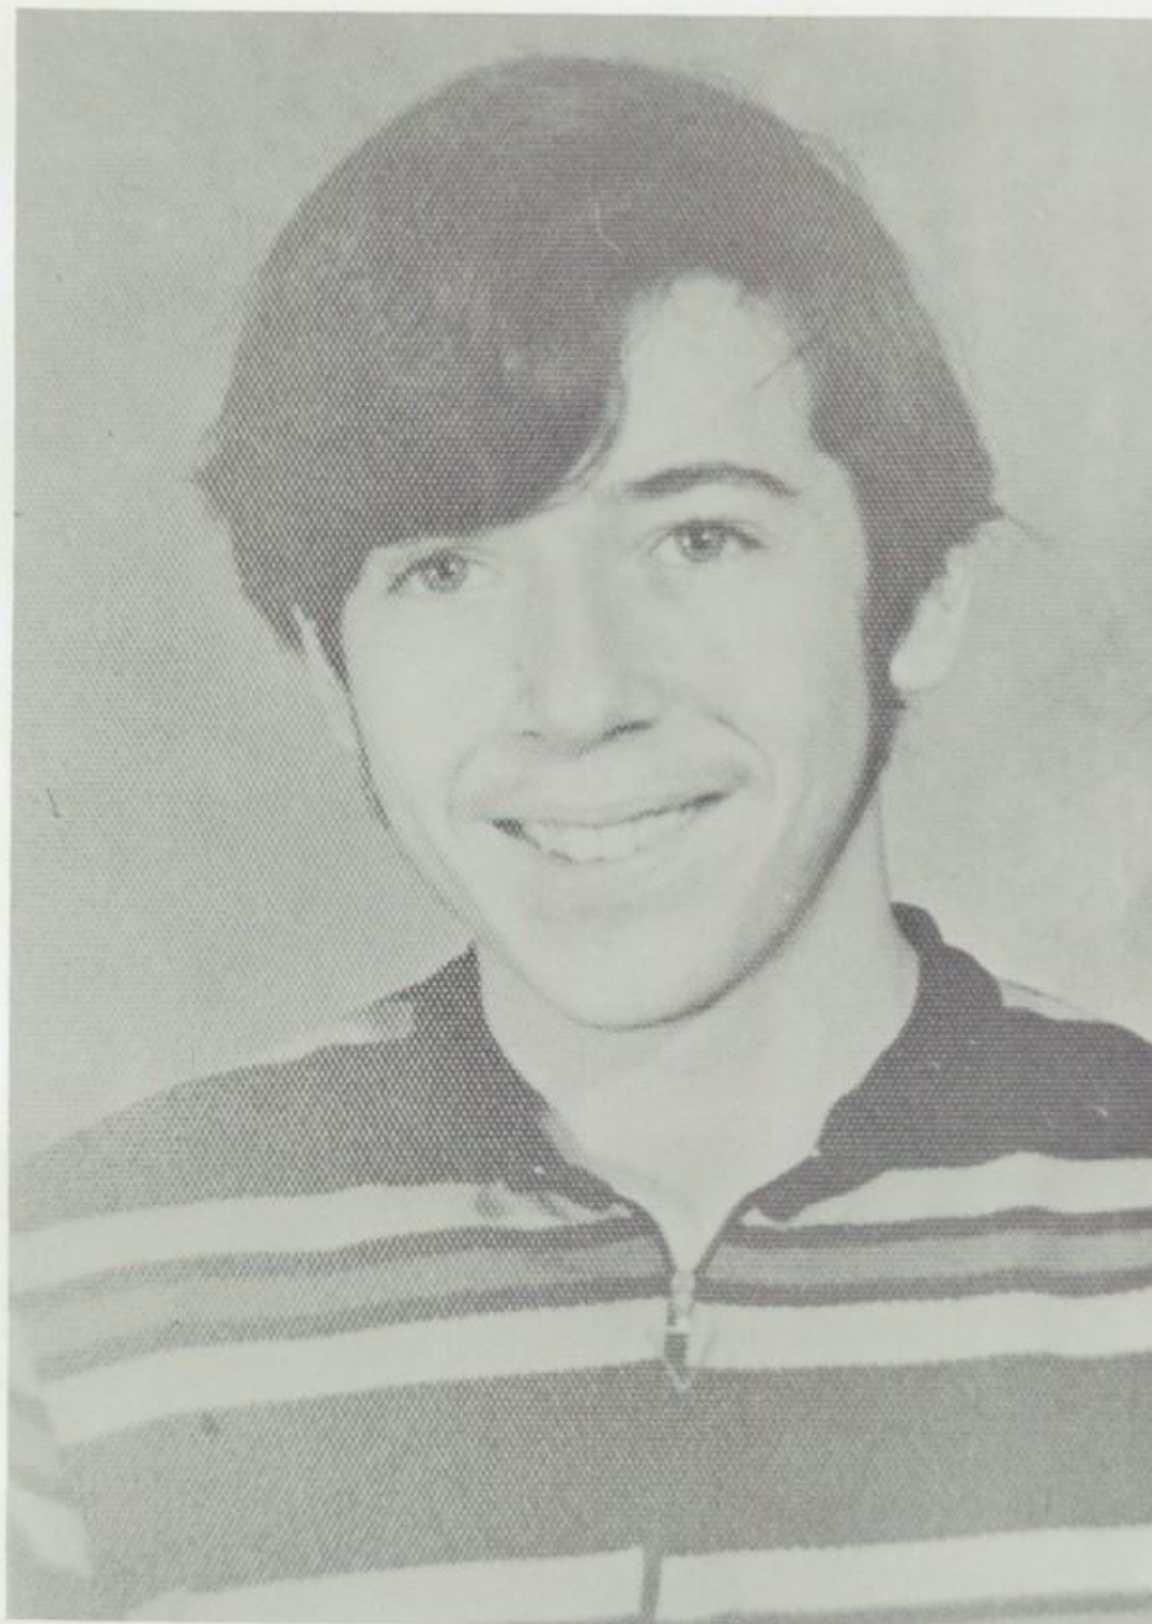

For they made her so proud

*But most of all I remember her life
for she loved it so dearly and lived it so well*

Mully

Janis Rae Welton 1959-1975

*I rode past
your house
last night.
And remembered
times shared.*

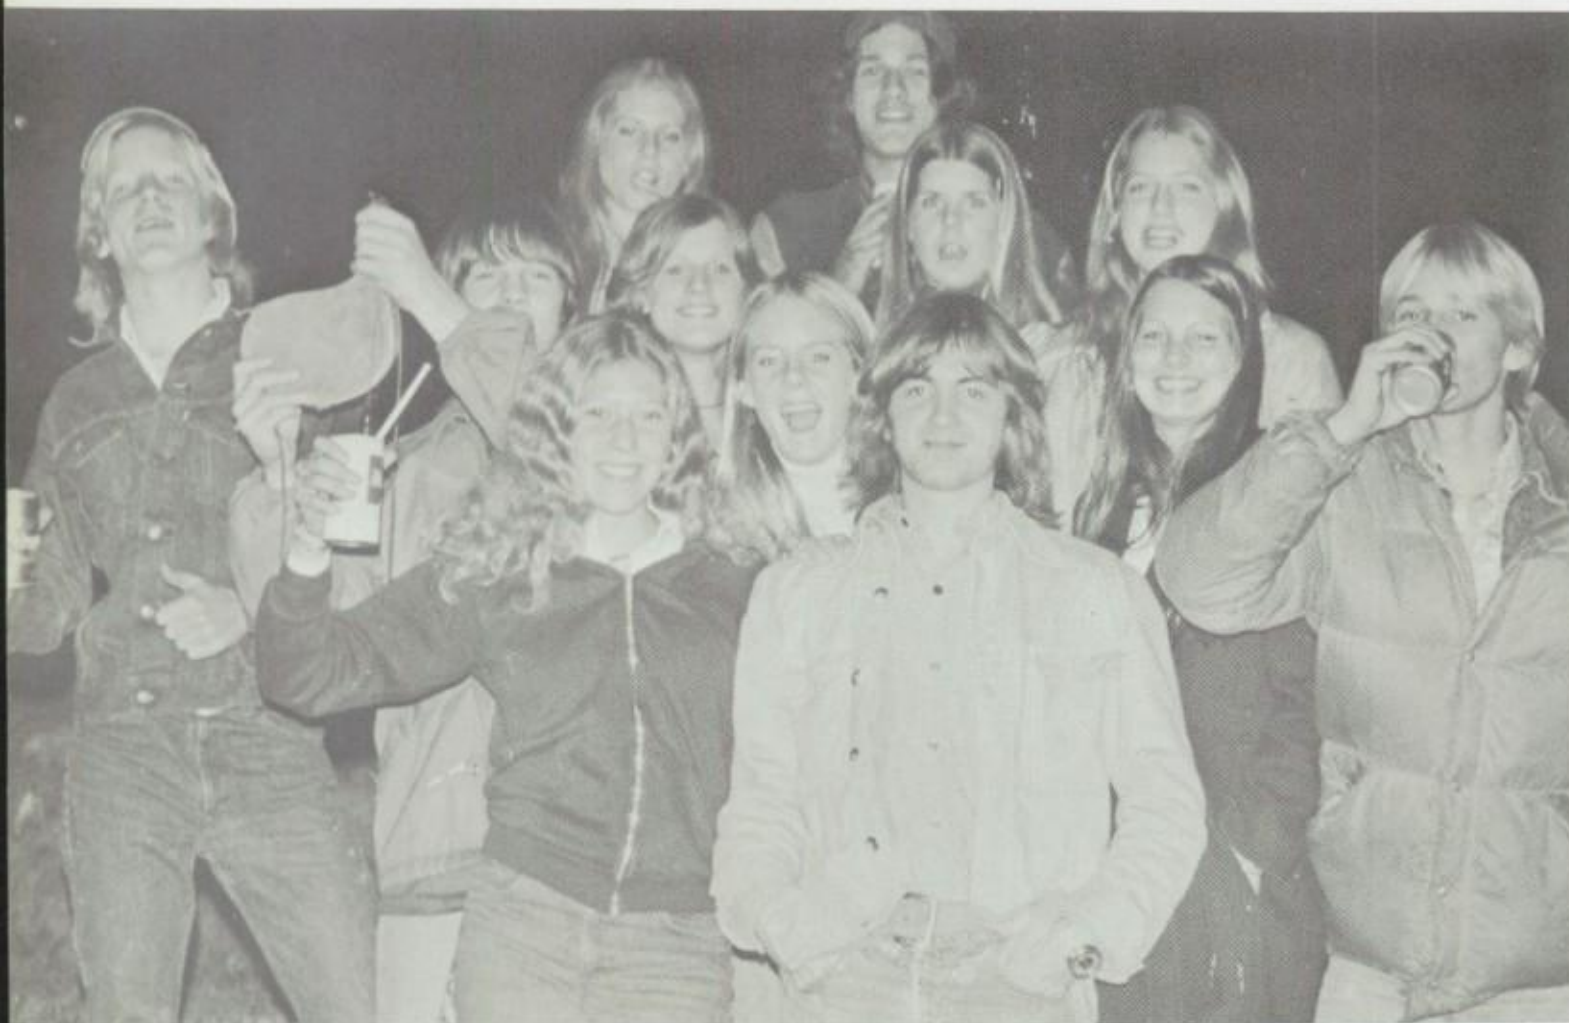

Roy Neil Petsch 1958-1975

The girl I left
behind me.

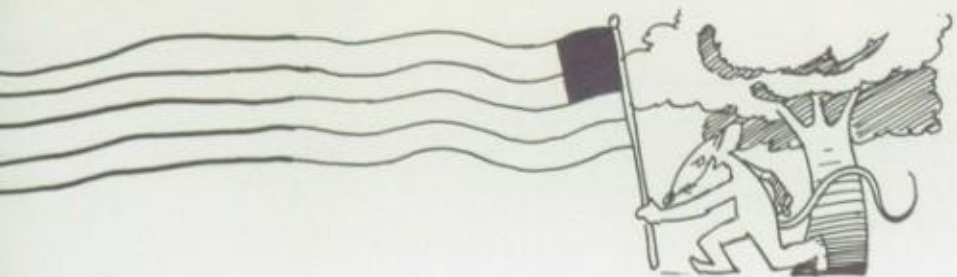

THE TIMES
THEY ARE
A CHANGING

What is this life if, full of
care, We have no time to stand
and stare?

EVEN SUCH IS TIME, WHICH
TAKES IN TRUST
OUR YOUTH, AND JOYS,
AND ALL WE HAVE;
AND PAYS US BUT WITH
AGE AND DUST
WHICH, IN THE DARK AND
SILENT GRAVE,
WHEN WE HAVE WANDERED
ALL OUR WAYS,
SHUTS UP THE STORY
OF OUR DAYS...
